PROFILE

I am a web designer seeking an opportunity to expand my knowledge and grow professionally. I aim to leverage the extensive experience I have gained. I am eager to enhance my skills and contribute meaningfully within the industry.

EXPERIENCE

WEB DESIGNER

Rightcore Inc.

Nov. 2023 - Present

- Created high-fidelity mockups and prototypes using Figma.
- Designed intuitive and visually appealing interfaces using tools like Figma.
- Shared design files and prototypes with developers and project managers for seamless communication.
- Used Figma's auto-layout and constraint features to design flexible and adaptive interfaces.
- Presented design concepts and prototypes to clients, incorporating their feedback and delivering high-quality final designs.
- Proficient in HTML, CSS, and JavaScript for building interactive websites.
- Experienced in creating banners using Photoshop for promotions and advertising.

WEB DEVELOPER INTERN

Baron Method Inc.

February - June 2023

- Designed and Developed the Company's website using tools such as HTML, CSS, and Javascript.
